Dear Tom,

Congratulations on your new web site, I am sure it will be successful.

I think the main reason for its success will be your professionalism, integrity and commitment to the brokerage market. I have owned boats for the past 30 years, from Sea Rays to Hatteras. After a brief hiatus from boating my wife and I decided we missed it and wanted to get back on the water. We had met you at the Palm Beach Boat Show earlier, and you left a lasting impression on us. So I gave you a call and we worked together until we found the right boat. I really appreciated your candor and pointing out the plusses and minuses as we looked. In fact I remember you drove over to Cape Coral to preview a boat to save my time. This type of commitment is rare today.

Sincerely,
