Price:	\$6,299,000 USD		

Description

Mamma Mia has just completed over a \$1,200,000.00 refit and is arguably the best Benetti 120' originally launched and currently offered for sale. It is hull #106 of the Series, built to ABS and MCA LY2, and delivered in 2007 (Though not in class at this time). With a long list of extras added both during her construction and since launching, the attention to detail in all areas of the yacht is unrivaled. She features a 5 Stateroom layout accommodating up to 12 persons with an elegant décor & panoramic Owner's Suite on the main deck forward, and 4 well appointed Guest Cabins on the lower deck. Exterior deck areas are well suited for entertaining - the aft deck extends the main saloon with a large al fresco dining area, the bridge deck with extra seating complements the sky lounge & the sun deck includes a bar, forward seating area and Jacuzzi aft. Mamma Mia was built for the original owner who kept her until Nov 21. The current owner plans for a larger vessel is the reason tis opportunity exists after his major refit.

Additional Photos Coming Soon!!

Accommodations

Accommodations for up to 12 guests in 5 cabins. The spacious on deck master forward has ample storage and a walk-in wardrobe with en-suite fully marbled -suite bath. Hi-Lo TV and entertainment system. 4 Guest Suites are located on the lower deck, all cabins have en-suite baths, two guest cabins are equipped with Pullmans. The entrance foyer is finished in marble and the Skylounge features wood flooring.
