Description

MAJOR PRICE REDUCTION AS OF 9/1/26

INDISCRETION: The Pinnacle of Luxury Yachting

Built in GRP by the esteemed Italian shipyard Riva, INDISCRETION was delivered in 2016 and remains in immaculate condition. Owned and custom-outfitted by a yachtsman with over 40 years of experience in yacht ownership and construction, this yacht represents a rare opportunity to acquire a vessel that has been meticulously maintained to the highest standards.

During its construction and commissioning in Italy, INDISCRETION was overseen by the owner's highly respected professional engineer, ensuring flawless mechanical, electrical, and cosmetic standards. The yacht has low engine hours and has been maintained by a full-time professional crew since it was new.

Design and Interiors: The interior of INDISCRETION features exquisite striped Rosewood paired with fine leather and fabrics, exuding an atmosphere of sophisticated luxury. The layout accommodates eight guests in four spacious cabins, while the crew quarters, comprising two staterooms, can house four crew members. This yacht is designed to offer unparalleled elegance and comfort.

Performance and Specifications: With an overall length of 26.84 meters (88 feet) and a maximum beam of 6.29 meters (20.7 feet), INDISCRETION boasts a racy and aerodynamic profile. The yacht's exterior is distinguished by a sleek "London Grey" hull contrasting with a "Moon Grey" superstructure, enhancing its sporty yet elegant appearance.

The sundeck adds to the yacht's sportiness and provides increased comfort for guests. The single large window on the hull features a bold design, while the revamped stern completes the dynamic aesthetic. The hydraulic swim platform can be submerged, facilitating easy access to the water and convenient tender launch.

Cockpit and Living Areas: The cockpit serves as an outdoor living room, featuring a large C-shaped sofa/chaise longue and a dining area with a sofa facing a dining table. The interior seamlessly blends the living and dining areas with the bridge, offering an open space with an unrivaled view of the sea—a hallmark of Riva's unmistakable style.

Accommodation and Amenities: Descending the first flight of stairs leads to three guest cabins, while a door on the starboard side opens to a full-beam master suite. The master suite is airy and beautifully lit, furnished with a vanity/desk area, a double berth, a TV, an en-suite bathroom, and a spacious walk-in wardrobe.

The sporty feel of the 88' Domino Super is further enhanced by the sundeck, which features a large C-shaped dinette facing aft. An external helm station is centrally positioned for optimal command of the yacht. Spacious relaxation areas aft provide additional comfort for guests.

Performance: INDISCRETION is equipped with two MTU 16V 2000 M96L engines, achieving a maximum speed of 38 knots and a cruising speed of 34 knots.

INDISCRETION is a must-see for anyone seeking one of the finest luxury express yachts in the world. Combining exceptional design, performance, and luxury, this yacht is perfect for individuals looking for the ultimate yachting experience.

Pull-out pantry /spice storage

LOWER DECK:

A first flight of stairs reaches the Foyer, which leads forward to the three Guest Cabins, while to starboard, towards the stern, a door opens up onto a second series of steps leading to the full-beam Master Stateroom, located amidships. This very airy cabin, which benefits from plenty of natural light thanks to the two hull windows and the portholes, is furnished with a low cabinet and a desk/vanity set to starboard. The king-size bed, on the left-hand side, is in front of the wall-mounted TV screen. Behind the cabin, across an access room, are the Owner's head and the large walk-in wardrobe, which is completed by two additional wardrobe modules, one in the access room and the other one forward, beside the stairs. The Owner's Head, characterized by innovative design and décor solutions, features two Capannoli wash- basins, fitted with Ritmonio taps, standing in front of the toilet. The shower can be found to portside; separated from the rest of the bathroom by a glass door and has shiny black walls and white Corian floor.

The three Guest Cabins - all with an en-suite Head and separate shower are very bright. The two standard Guest Cabins are one to the right and one to the left of the foyer, the former has single beds, while the latter is furnished with a sliding queen bed. The VIP Cabin is located at the bow, and features a double wardrobe.

On this Riva 88 Domino Super, entry to the Crew Quarters is from the Aft Deck ensuring the Owner and guests with complete privacy. There is direct access to the Engine Room. The Crew Quarters include two cabins with bunk beds; a stackable washer/dryer; a Galley area opposite the Dinette; and the Head.
